

Tying Curricular Themes To Real-World Issues

Step 1: Write down a list of THEMES that you are covering.

Step 2: Write down real-world ISSUES that affect you.

Step 3: Draw a line from any box in the theme column and any box in the issues column to connect to a circle. Explain in an IDEAS circle how examples from that theme can be used to help solve that problem.

THEMES	IDEAS	ISSUES
